

# MC Truck Licence

Be trained by industry professionals to the highest standards

This course includes the nationally recognised unit of competency TLIC4006 Drive a multi combination vehicle, which is required to upgrade your licence to MC class with Qld Transport.

## Get your MC licence and boost your career in the Transport industry now!

At Shift we care about the quality of the training we provide – our MC course is complete with an emphasis on road safety and more hours behind the wheel. We will take you through everything you need to know to drive the big rigs, including fatigue management, load restraint, coupling and uncoupling trailers and reversing maneuvers.

Our MC courses are designed in consultation with industry professionals and will ensure you are job ready and confident when you get your licence. We have several different package deals to suit your current skill level – please turn over for our package prices.

Our trainers are experienced, professional and passionate about teaching the Multi combination – they have current industry skills so you can feel confident you'll be ready to take the wheel and hit the road!

*Upon successful completion of this course, a Statement of Attainment will be issued for TLIC4006 Drive a multi-combination vehicle – this must be taken to Qld Transport to upgrade your licence to MC Class.*

**Please note:** that our package deals offered are not a one size fits all and that each individual learns in their own time. Additional training may be required to achieve competency. The definition of competency is that you have 'the skills and knowledge required to perform a task to the standard expected in the workplace'. You must meet all the assessment criteria to be deemed competent.

There will be some reading and writing involved to complete this course. You will need to have literacy and numeracy skills to be able to complete workplace forms such as run sheets, logbooks and per-start checklists. You'll need to have reading skills to be able to read maps and route planning. An LLN test will be conducted prior to the theory test. If you think you might need some help with this, talk to us prior to enrolling.

To abide by ASQA regulations, Shift Training does not collect more than \$1500 in enrolment fees in advance of the training start date. The following payment plan will apply to our MC courses:

- A \$500 deposit is required upon booking
- For Original Deals, the balance will be due at your theory class
- For Big Rigs Deals, the next payment of \$1000 will be due at your theory class, and the remaining fees will be due on your second practical day.
- All fees must be finalised before your practical assessment can be conducted.
- Please note we cannot accept payments over \$1500.
